To the Parents of _____, HA basketball Participant:

Re: Parent & Student-Athlete Handbook, CYO Code of Conduct

This memo is to remind all of you, as parents, the rules and regulations that are part of our Athletic handbook and CYO's Code of Conduct during ALL LEAGUE GAMES and team practices. Please review these guidelines:

1. Respect the decisions of officials, other fans and the opposition.
2. Work with other parents and school personnel to assure a wholesome and successful athletic program for Holy Angels School.
3. Be encouraged **NOT** to attend team practices. Too often parents become distractions to their children and the coaching staff. (Parent and/or family members may attend **ONLY** the final 15 minutes of a teams' practice session.) Team coaches need to have quality time with the student-athletes to prepare and train for their respective sport and upcoming league games. In addition, since teams have limited practice time at a CYO gym facility, coaches can fully maximize their practice times.
4. Refrain from coaching my child or other players during games and team practices so I will not be a distraction to them.
5. Monitor the behavior of the people (family members, friends, etc.) attending the athletic event with them. **My guests and I will not engage in any form of un-sportsmanlike conduct with any official, coach or player or parent such as booing and taunting, or using profane language or gestures.**
6. Remain in the designated spectator areas throughout the game.
7. Provide positive reinforcement to all student-athletes and coaches.

Thank you for helping us continue to be a "Safe and Caring" School parent during all league games and team practices for both Daly City Park & Rec and CYO as we all work together to maintain a positive environment for all student athletes and coaches to succeed.

Sincerely,

Sr. Leonarda Montealto, O.P.
